

Problem Cards for use in conjunction with the workshop "Tribal People: Primitive or Innovative" in Section One: Tropical Rainforests

No shops

Where would these people get their food and day-to-day items?

How would they pay for it ?

How would they carry it home?

Travel – No cars, planes etc.

How would they get from place to place?

How would they carry their belongings?

How would they move house or move heavy objects?

Law – no police or courts

How would arguments be sorted out?
Who would decide what the rules were?
How could they ensure rules were followed?

Entertainment.

What kind of things would you do if there were no TV, radio, books etc?

Communication – no telephones or post offices

How would they communicate over distances?

If they have no paper, how do they draw?

If they have no pens, how do they write?
